Reply to Election of Species Requirement

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In reply to the Office Action dated **July 26, 2006**, requesting an election of a single species of solvent as recited in claim 103, and a single species of cell as recited in claims 110-121, for prosecution on the merits to which the claims shall be restricted if no generic claim is finally held to be allowable, Applicants hereby elect the following species:

- Solvent: water (as recited in claim 103). Claims 27, 36, 92-95, 103 and 110-121 read on the elected species of solvent.
- Cell: animal cell (as recited in claim 111). Claims 27, 36, 92-95, 103 and 111 read on the elected species of cell.

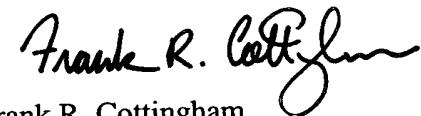

These elections are made **without** traverse. However, Applicants respectfully remind the Examiner that, upon allowance of a generic claim, Applicants will be entitled to consideration of claims to additional species which are written in dependent form or otherwise include all of the limitations of the allowed generic claim.

It is not believed that extensions of time are required beyond those that may otherwise be provided for in accompanying documents. However, if additional extensions of time are necessary to prevent abandonment of this application, then such extensions of time are hereby petitioned under 37 C.F.R. §1.136(a), and any fees required therefor are hereby authorized to be charged to our Deposit Account No. 19-0036.

Consideration and allowance of all pending claims are respectfully requested.

Respectfully submitted,

STERNE, KESSLER, GOLDSTEIN & FOX P.L.L.C.
